Designation Certificate

(ST HOM cetecom advanced GmbH 01 01)

Pursuant to article 2 of the "règlement grand-ducal modifié du 30 janvier 1983 portant acceptation de certains Règlements annexés à l'Accord concernant l'adoption de prescriptions techniques uniformes applicables aux véhicules à roues, aux équipements et aux pièces susceptibles d'être montés ou utilisés sur un véhicule à roues et les conditions de reconnaissance réciproque des homologations délivrées conformément à ces prescriptions", the Minister for Mobility and Public Works certifies that the technical service

cetecom advanced GmbH

Untertürkheimer Str. 6-10

D-66117 Saarbrücken

is authorized to carry out the verifications and the tests prescribed by the ECE regulations specified in the scope of the issued designation.

The designation is granted based on a proposal by SNCH (Société Nationale de Certification et d'Homologation), which is the responsible body for the certification and approval work and for the supervision of the technical services within the provisions of the aforementioned "règlement grand-ducal modifié du 30 janvier 1983".

The validity of the designation is limited to 17th January 2029 and is subject to the obligation to accept surveillance audits and to fulfill all the conditions laid down by the designation.

Luxembourg, 17th January 2024.

Designation

Technical Service

1. Designation holder

cetecom advanced GmbH

2. Designation Reference

ST_Hom_cetecom_advanced _GmbH_01_01

3. Validity of the designation

The present designation authorizes the holder, in accordance with article 2, section 2 of the "règlement grand-ducal modifié du 30 janvier 1983 portant acceptation de certains Règlements annexés à l'Accord concernant l'adoption de prescriptions techniques uniformes applicables aux véhicules à roues, aux équipements et aux pièces susceptibles d'être montés ou utilisés sur un véhicule à roues et les conditions de reconnaissance réciproque des homologations délivrées conformément à ces prescriptions" to carry out specific verifications and tests, as prescribed by the ECE regulations in force, in order to certify that a type of vehicle, system or equipment meets the administrative provisions and technical requirements related to international vehicle type approvals.

The validity of the present designation is limited to January 17th 2029 and is subject to the obligation to undergo surveillance audits whose extend and frequency will be determined by SNCH.

Any finding of one or more major non-conformities, raised during an audit, may result in a suspension, a withdrawal or a restriction of the scope. Moreover, dependent on the seriousness of the identified breach, the designation may be withdrawn. The same applies, if one or more minor non-conformities have not been closed within a defined period of time specified by the Société Nationale de Certification et d'Homologation (SNCH), which is the responsible body for the certification and type approval tasks in accordance with article 2, section 2 of the aforementioned "règlement grand-ducal modifié du 30 janvier 1983".

The designation may be suspended, withdrawn or limited in its scope or in its validity, if the holder has seriously or repeatedly violated the conditions of the present designation, if one or more conditions of the designation are no longer fulfilled. The same applies if the holder does not comply with all the requirements laid down in the SNCH document F3-05 v.8 and the general terms and conditions (currently effective document D-2E, v.7), which are an integral part of the present designation or in case of non-compliance with one or more conditions and obligations tabled under point 4 of the present designation.

4. Scope of the designation

The holder of the title is designated as technical service of category A and D to the United Nations Economic Commission for Europe (Inland Transport Committee), in accordance with international regulations, for the following areas such as detailed under **annex I**:

International approval of road vehicles:

- **1958 Agreement :**

Concerning the adoption of harmonized technical United Nations regulations for wheeled vehicles, equipment and parts, which can be fitted and/or be used on wheeled vehicles and the conditions for reciprocal recognition of approvals granted based on these United Nations regulations.

5. Conditions and obligations

The Minister in charge of transport, hereinafter referred to as "the Minister", reserves the right to carry out or to assign additional audits for the purpose of reassessing the scope of the designation in the event of a significant change in any of the ECE regulation which are in force (repeal or amendment of a regulatory text).

Moreover, any new ECE regulation, which ought to be added to the scope defined under point 3, implies an additional approval procedure for purpose of reexamining the scope of the entire designation.

The holder of the designation shall notify to the Minister and to SNCH without any delay each modification, which may affect the validity of the present designation.

The Minister performs a permanent surveillance. In particular, he reserves the right to check or to let verify at any moment, the compliance with the established obligations. In order to do so, the verifications can take place in the facilities of the holder as well as his subcontractors or customers. During the verification, any document related to the designation can be reviewed.

The present designation abrogates and replaces the designation with the reference: *ST_Hom_CTC_advanced_GmbH_01_01*.

The approval is strictly personal and is not transferable.

Luxembourg, 17th January 2024

Minister for Mobility
and Public Works
